Facilities

Little Winnick is a traditional touring park welcoming caravans, tents and motorhomes. Boasting new amenities at the heart of the park, which include a family bathroom, disabled shower, toilets, showers, a large undercover dishwashing area and a laundry you will not be disappointed at the high standards the family pride themselves on. In 2015 the facilities won Gold in 'Loo of the Year'. The shop will provide all the essentials including papers, bread, coffee and those extra special treats like marshmallows for toasting or fresh strawberries straight from the field.

Families are warmly welcomed to Little Winnick, with Richard and Heidi nurturing a young family themselves you will find the little touches taken care of with a toy basket for you to borrow from and a full size bath for those all-important bedtime traditions of bath and cuddles. Whilst staying you can also enjoy the children's play area, wild flower meadow and borrow sports equipment and books from the reception.
